How are Players Selected?

Players are selected on the basis of open evaluations. The evaluations are conducted by WYS State Select coaches and guest coaches, recognized for their ability to identify and train players with superior skills. Selection of players is not an easy task. The WYS technical director is assisted in the selection process by several qualified coaches from the club and regional level. Players are evaluated on the following components:

- Technique and Tactics
- Fitness and Athletic Ability
- Psychological Component/Attitude
