

New Users, please click "Register" in the top left corner to create an account. Once an account is established, go to the participant information section and click on "add participant." This begins the online registration process. You may also volunteer as a coach, assistant, or team manager. If you choose to volunteer, you will be asked for additional information. Once an account is established, you may return at anytime to update information. Just sign in using the user name and password you created. If, for some reason you do not wish to register online, copies of our registration forms can be found under the Info Tab above. These can be printed, completed, and returned to the IHMAA Board with payment. Payment with a credit card or check is accepted. If paying by check, a remitting address will appear at the bottom of the online form. This is the Church address.
